ARCHITECTURE

WITH AN EDGE

Indulge in the soulful elegance with Hills View that is rising confidently within the vibrant Wasl Gate community. Hills View redefines modern living with a distinctive architectural presence. Designed with refinement and purpose, the building's elevation is a statement in itself. Clean lines, expansive glass window panels and bold grey hues that set it apart from the urban skyline. Every inch of Hills View reflects a commitment to high-end living. The architectural front combines sleek modernity with thoughtful textures, allowing light to dance across reflective surfaces by day and showcasing a striking view by night. The glazed finishes and steel-toned surfaces delivers elegance and privacy. The imposing podium-level design and the lush rooftop spaces offers a luxurious escape above the city's bustle. Large windows invite natural light, while balconies and terraces frame sweeping views of the surrounding boulevards. Neutral palettes, quartz finishes and custom fittings mirror the sophistication of the building's outer shell.

A LIFESTYLE UNLIKE ANY OTHER

LIFESTYLE

THAT TOUCHES THE SKY

Situated in the heart of Jabal Ali, Hills View is a signature residential address that reflects the vision of Suncrest Hills Property LLC. A project with an uncompromising standard of living. Just walking distance from Energy Metro Station and set along one of the community's main boulevards, this landmark development offers distinction and convenience. Comprising of 350 skillfully designed residences including studios, one-bedroom and two-bedroom apartments, this project rises above a beautifully landscaped podium level. Here, residents can enjoy a plethora of amenities including a resort-style swimming pool, children's play area and a modern fitness center. These are crafted to support a lifestyle of ease and well-being. Expansive balconies and full-height windows not only enhance the architectural rhythm but also invite natural light to flood the interiors with a matchless glow. What sets Hills View apart is its striking elevation. A bold architectural design with a facade defined by beautiful lines, expansive glass panels and a marvelous grey palette. The building stands as a sculpted form that turns the heads.

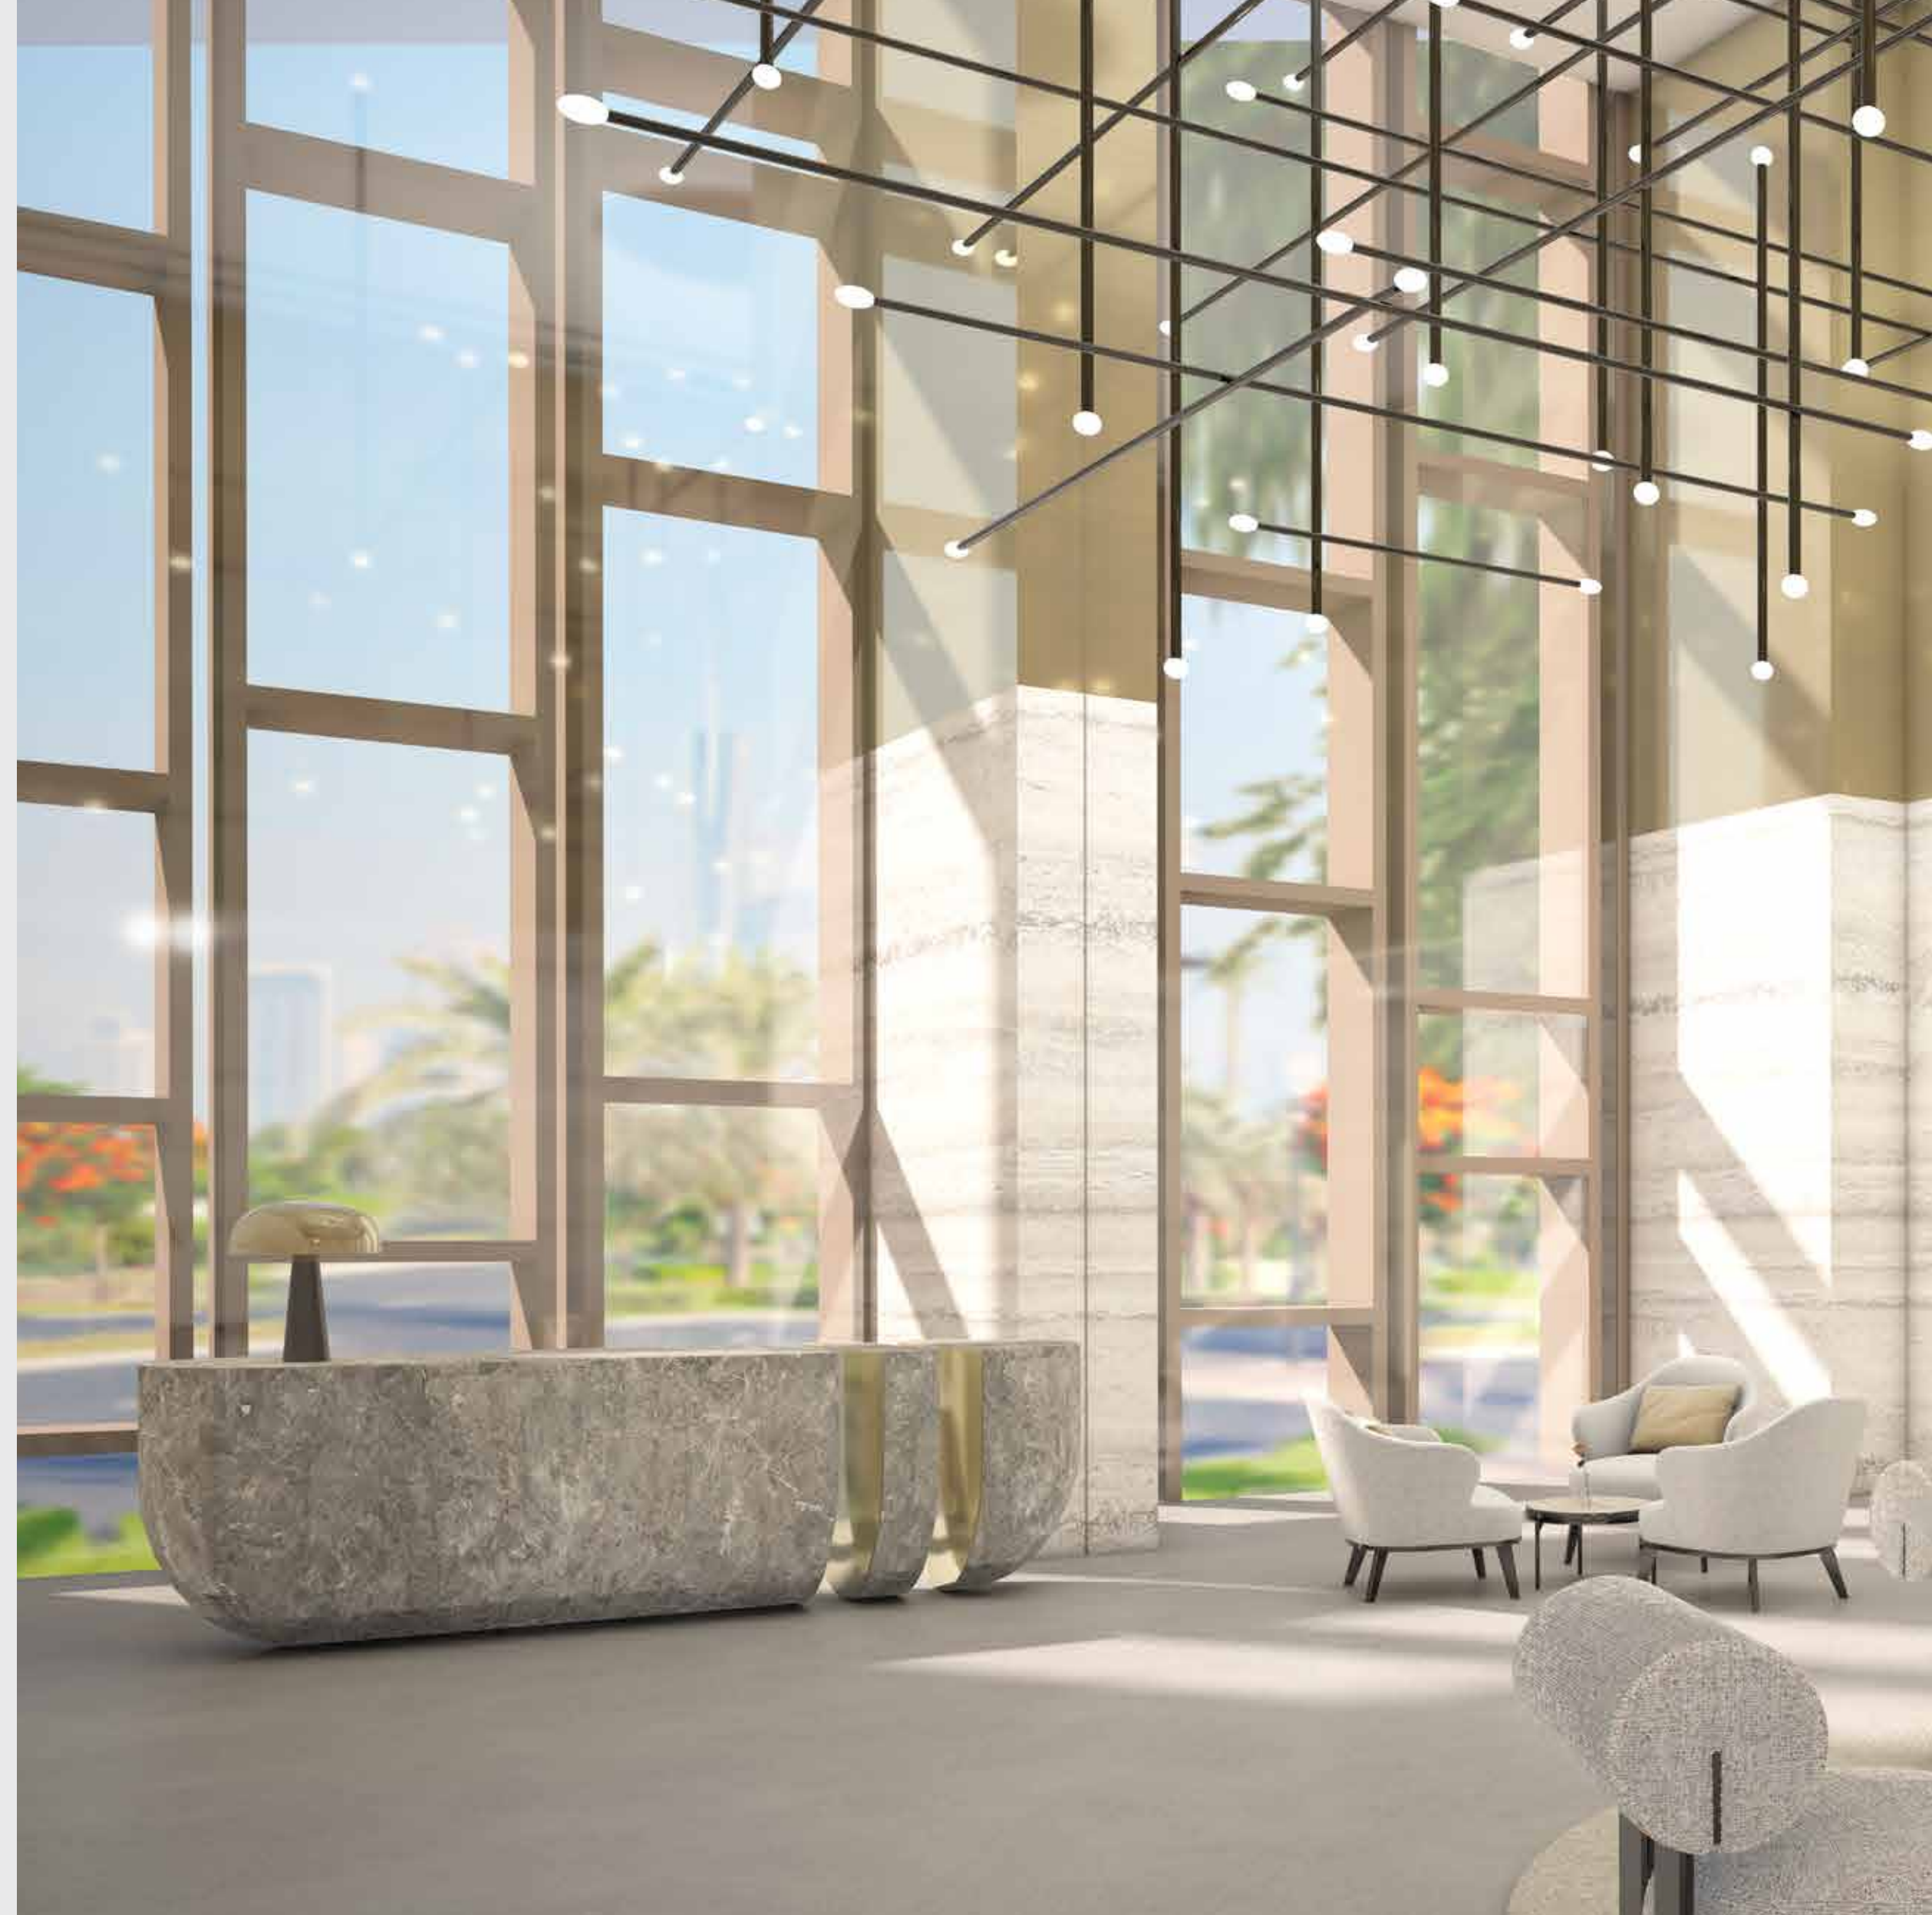

A POWERFUL DESIGN LANGUAGE

Discover an elite lifestyle embellished with mystic hues and contemporary aesthetics. With the pleasing off-white marble textured walls, the corridors and reception areas displays perfect design sense. Big glass windows allows natural light to glow the entire space. It also graces your eyes with the spectacular cityscape. Plush furnishings give regal vibes and big chandelier makes a space look even bigger and brighter. Fast-speed elevators are installed for the hassle-free transition to each level of the building.
